<u>Jacob's Blessing of Naphtali - Genesis 49:21</u>

"Naphtali is a hind let loose, he gives beautiful words."

The first thing we must realize is that the Old Testament stories were inflated by the Jewish writers. We know today that Moses is likely their fictional character leader and that a massive number of Jews never left Egypt to travel through the Red Sea separated by THEIR GOD. We know today that the

Jewish writers used the real story of the Hyksos migration out of Egypt instead and then PUFFED IT UP in order to claim that the story was about the Jews instead. The Jewish writers have lied to us. We know that according to archeology the Jews were desert dwellers who slipped into Judah to set up housekeeping after the wars that took most of the ORIGINAL SCANDINAVIAN GENTILE APIRU AS PRISIONERS to Media Persia. It looks like their were still Scandinavians White People known as the Apiru living there when the Jews entered Judah around 700 years before Jesus came to town and that those same WHITE people became the GENTILES IN THE BIBLE AFTER JESUS CAME TO TOWN.

It looks like if their was a Jacob who migrated into Israel with his family tribes that it was a small migration of people that were relocated to different regions in Israel to set up housekeeping, which is where the story of the 12 Tribes begins.

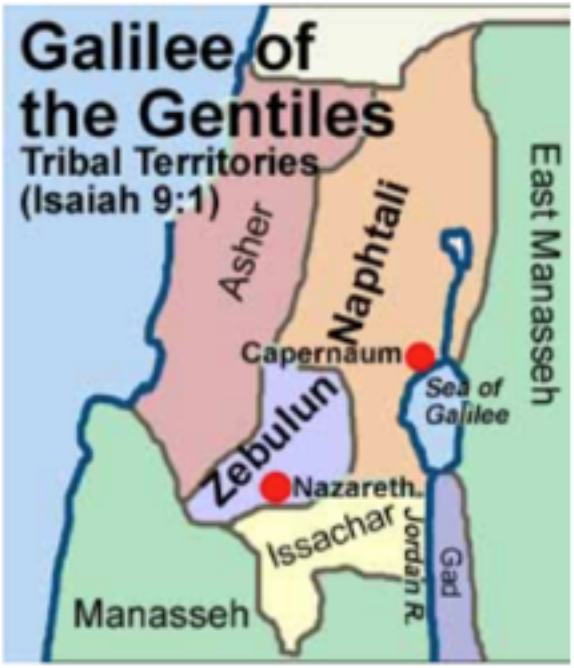
Of the 12 tribes of Jacob or Jacob sons an their families, the Naphtali tribe received the most beautiful location in Northern Israel from Jacob for their family tribe to live. Their land has been compared to the "Garden of Eden" because it was rich beautiful land, where farmers could plant and grow crops.

It looks to me as though the Naphtali Family blended in or assimilated in along side the Apiru Scandinavian Race that were one of the indigenous tribes that lived in the land, which the Bible refers to as the 7 Hills of Galilee.

Archtypes

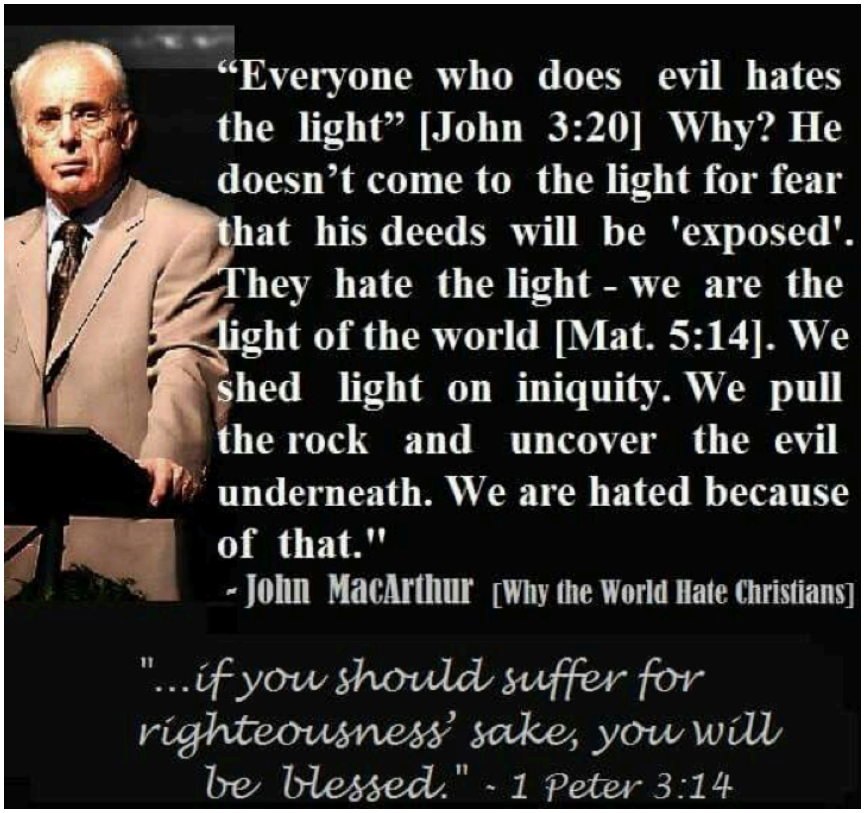
During the Conquest, the tribes of Zebulun and Naphtali settled in territories west of the Sea of Galilee. This became part of the northern kingdom of Israel. Though these were the first areas to be overrun and humbled by the Assyrians in 733 BC (2 Kings 16:29), and by later powers (thus called, "Galilee of the Gentiles"), they included the site of the town of Nazareth where Jesus was raised, and the area of Galilee where much of Jesus' ministry was conducted.

Matthew tells us that his prophecy was fulfilled in Jesus:



It is so hard to tell what might be historically accurate in the Bible because the data is so illusive. What archeologists are digging up tells us a very different story so WHO DO WE BELIEVE. So many religious scholars are waking us up today to a different view of what is being presented in the Bible and by the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC). What is interesting about that is that these are the days we have been warned about by Jesus and John of

Revelations when the CHURCH WILL BE DESTROYED FOR HER DEBAUCHERIES.



"Everyone who does evil hates the light" [John 3:20] Why? He doesn't come to the light for fear that his deeds will be 'exposed'. They hate the light - we are the light of the world [Mat. 5:14]. We shed light on iniquity. We pull the rock and uncover the evil underneath. We are hated because of that."
- John MacArthur [Why the World Hate Christians]
"...if you should suffer for righteousness' sake, you will be blessed." - 1 Peter 3:14

I spent two years in a Bible College after high school where my eyes were opened regarding all of the misinformation, disinformation and lies I discovered as we read and studied these scriptures. I made a promise to Jesus and OUR FATHER that one day I would expose all of this corruption one day, which is what I have been doing now for 25 years.

My main interest is to prove that the Gentiles who were Jesus people were Scandinavian aka WHITE PEOPLE that is exactly what has been recorded in history and in Egypt on hieroglyphs.

Not only have the Jews lied about their real history but they have forced their lies on us while pretending that is found in the Bible and the Christian religion is the GOSPEL TRUTH.

LETS START TO TELL THE TRUTH BY EXPOSING WHO THE GENTILES WERE. IT HAS BEEN A SECRET WE ARE NOT SUPPOSED TO FIGURE OUT OR KNOW ABOUT

From The Times of Israel ▼

Blue-eyed, fair-skinned settlers inhabited the Levant some 6,500 years ago, according to an international interdisciplinary team of scientists. An article released Monday in the peer-reviewed journal Nature Communications solves the mystery of how Chalcolithic culture got to the Galilee: via population migration.

When they mapped the genomes of bones from 22 of the 600 individual skeletons discovered in a massive necropolis near Peki'in in the north of the country, the scientists found a genetic mix quite unlike that of previous and successive settlers of the region.

WE HAVE TO REMEMBER THAT THE SCANDINAVIAN WHITE PEOPLE known as the APIRU ALREADY LIVED IN NORTHERN ISREAL WHEN THE TRIBES OF JACOB MIGRATED INTO ISRAEL. THIS FACT HAS BEEN ARCHIVED IN EGYPTIAN AND

ARCHEOLOGICAL RECORDS. I trust this data long before I trust the Jewish lore found in the Old Testament.

These are therefore the ancestors of many of the 'tribes' of the central hill country that we later meet in the biblical narratives about the period of the so-called Judges."

Their inheritance fell in the region of Galilee. Centered around the shores of the Sea of Galilee, this tribe possessed the most fertile and productive region in all of Canaan.

The tribe of Naphtali was the tribe the city of Nazareth belonged to. Much of the Galilee belonged to this tribe.

Shepherds and farmers alike found the soil and vegetation of this area extremely fertile, and able to support large flock and herds. The whole of the land is fed by hidden springs emanating from Mount Herman. This area is well watered by multiple sources; principally the Jordan River, th springs of Mt. Herman, and th Sea of Galilee.

Mount Herman is just 39 miles northeast of where the Jordan River runs into the Sea of Galilee. In antiquity, the mountains of Galilee bore the name the Mountains of Naphtali.

Their allotment was inherited after the conflict with the Canaanite forces at the Waters of Merom in **Joshua 11**. Along with this tribe, the tribes of Benjamin, Dan, Issachar, Simeon and Zebulun also received their allotments after this battle.

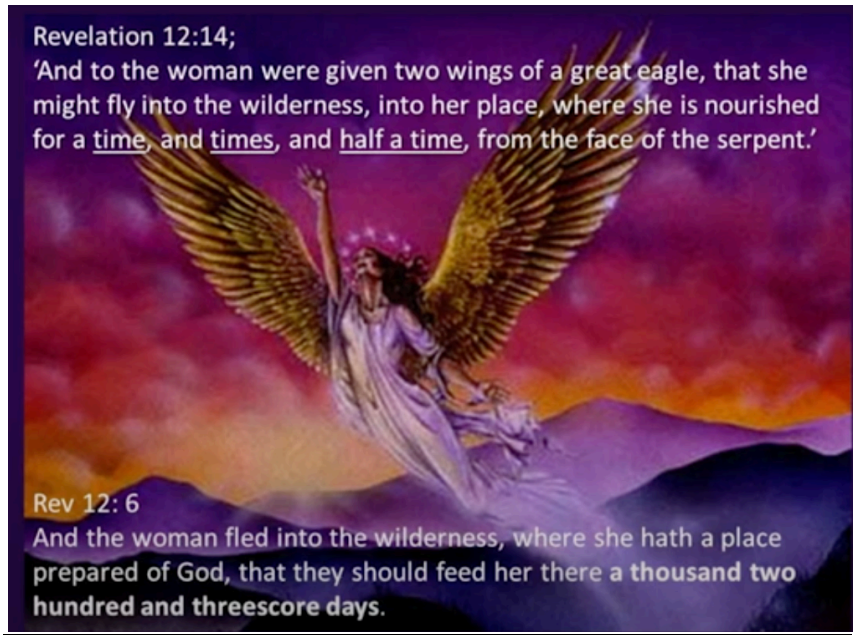
WHO WERE THE HEBREW PEOPLE?
APIRU + SHOSHU = HEBREW

It appears that the Hebrew people were already living in Israel before Jacob's family tribes that decended from Abraham moved there. It appears that if these families migrated into Israel that they moved in and lived along side the indigenous Scandinavilan Apiru and the Canaanite Shoshu tribes. Archeologists say that the Jews were a desert tribe that simply

moved into Judah after the Scandinavian Apiru were taken into captiving in Media Persia by the Assyrians.

They were not the tribe of Japheth, Seth or Ham who migrated to different parts of the Middle East back then.

The Hebrew would later be referred to as the Sa.Kas or Sa.gazi who were the descendents of Issac's sons. They became known as the Anglo Saxon Tribes who were a mixed race due to their inbreeding with other races.



Revelation 12:14;
'And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.'
Rev 12: 6
And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days.

The way that the story of satan's fall is intertwined with the story of the Woman' escape proves that this is a future fall of satan, that will happen at Mid-Tribulation, and that Michael's action against satan is closely connected with God's protection of believing Israel as she flees, just as Daniel 12:1 implies.

They would eventually migrate into Europe and America and be known symbolically as the WOMAN WHO FLEW INTO THE WILDERNESS. She is also described as the WOMAN WITH THE CROWN OF 12 STARS in Prophecy who is fighting the massive bull along with Jesus represented as a child in the picture above.

Hiberu and Apiru

Habiru or Apiru or pr.w (Egyptian)[1] was the name given by various Sumerian, Egyptian, Akkadian, Hittite, Mitanni, and Ugaritic sources (dated roughly, between 1800 BC and 1100 BC) to a group of people living as nomadic invaders in areas of the Fertile Crescent from Northeastern Mesopotamia and Iran to the borders of Egypt in Canaan.[2] Depending on the source and epoch, these Habiru are variously described as nomadic or semi nomadic, rebels, outlaws, raiders, mercenaries, and bowmen, servants slaves, migrant laborers, etc.

The names Habiru and Apiru are used in Akkadian cuneiform texts. The corresponding name in the Egyptian script appears to be pr.w, conventionally pronounced Apiru (W,or u-vowel "quail-chick" being used as the Egyptian plural suffix). In Mesopotamian records they are also identified by the Sumerian logogram SA.KAS (or SA.GAZ), of unknown pronunciation. The name Habiru was also found in the Amarna letters, which again include many names of Canaanite peoples written in Akkadian. etc, etc. ###

The Naphtali tribe did not inherit the land because Jacob and his tribe DID NOT OWN THE LAND IN THE FIRST PLACE. The location of the land the Naphthal family moved into fell in the region of Northwestern Galilee by the shores of the Sea of Galilee. The indigenous Apiru were a race and a fully developed society that lived in Northern Israel along with the Shoshu tribes the Old Testament writers came to refer to as Canaan. The Apiru were also found on the periphery of Egyptian society and the surrounding lands of Canaan and the Fertile Crescent. They came to Egypt to work when drought hit their region. Some became warriors to protect their property and lands. They had some influence in Egypt all thought Egypt was not there land. This has also been documented in Egyptian records and through archeological digs.

According to Egyptian records, the Shasu people were Semitic-speaking pastoral nomads who inhabited Transjordan during the late Bronze Age and Early Iron Age. While other peoples, such as the Amorites, Moabites, Ammonites, and Edomites, were also present in the region, the Shasu are specifically mentioned in ancient Egyptian texts, like the reliefs at Medinet Habu, and are

described as a distinct tribal group dwelling in the Southern Levant.

THE TRIBE OF NAPHTALI LIVED IN NAZARETH AS DID THE GALILEAN TRIBES

Donald B. Redford, *Egypt, Canaan, and Israel in Ancient Times*, 1992

"No one can prove (or disprove, for that matter) that the tribal federation 'Israel' originated on Palestinian soil. No one can prove that the major components of that federation had always existed on Palestinian soil. All that is known for certain is that, some time during the fourth quarter of the thirteenth century B.C., Egypt knew of a group, or political entity, called 'Israel' and occupying part of the land of the land of Canaan; but whether the group had recently arrived or taken shape is not stated in our sources. That the Hebrew language is closely related to the West Semitic dialect (s) that we subsume under the catchall 'Canaanite' is a fact; but then, it is equally closely related to the dialects of Transjordan as well."

During the Conquest, the tribes of Zebulun and Naphtali settled in territories west of the Sea of Galilee. This became part of the northern kingdom of Israel. Though these were the first areas to be overrun and humbled by the Assyrians in 733 BC (2 Kings 16:29), and by later powers (thus called, "Galilee of the Gentiles"), they included the site of the town of Nazareth where Jesus was raised, and the area of Galilee where much of Jesus' ministry was conducted.

Jews migrated into Judah in waves, most significantly during the Return from Babylonian Exile in 538 BCE, following the Persian king Cyrus the Great's edict. There was also an earlier migration when the northern tribes of Israel moved into the southern Kingdom of Judah after the Assyrian invasion of 722 BCE. The process of Jewish migration into Judah, also

called Aliyah, continued in various periods, notably the return led by Nehemiah around 445 BCE and later Zionist movements in the late 19th and 20th centuries.

The Naphtali allotment, that was SUPPOSEDLY appointed by Jacob, apparently happened after the conflict with the Canaanite forces at the Waters of Merom in **Joshua 11**. This appointment also included the tribes of Benjamin, Dan, Issachar, Simeon and Zebulun that also received their land designations after this battle. According to Old Testament Jewish data.

This would likely place Nazaeth, the City of the Apiru, Naphtali Nazarenes south west of the Sea of Galilee, west of the Jordan River and north of Mt. Tabor, as indicated on the maps above.

People Still being Baptized in the Jordan River in Northern Israel

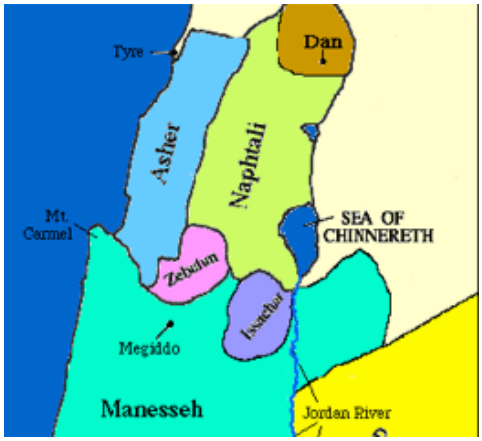
In the New Testament, the Transfiguration of Jesus is an event where Jesus is transfigured and becomes radiant in glory upon a mountain. The Synoptic Gospels describe it, and the Second Epistle of Peter also refers to it. It has also been hypothesized that the first chapter of the Gospel of John alludes to it.

Another interesting fact to consider is that most ancient Christian authors believed that Mount Tabor was the site of the Transfiguration of Jesus. Commenting on Psalm 88:13 (89:12), which sets up a comparison of Mount Tabor with Mount Hermon.

Origen asserts that “Tabor, the chosen one (*eklekton*), […] is the mountain in Galilee where Jesus was transfigured (*metamorphoté*)” (*Selecta in Psalmos Ps 88:13/98:12*).

There is no disputing the location of Mount Tabor according to Old Testament beliefs, that implied Mount Tabor appears numerous times in the Old Testament. Among many episodes, their was battle fought by Judge Deborah and her general Barak against the Canaanite general Sisera that stands out (Judges 4:6).

The synoptic Gospels, however, **do not** provide another topographical indication about the place of the Transfiguration other than that Jesus took Peter, James, and John and led them up “to a high mountain” (Matthew 17:1; Mark 9:2) or simply “up the mountain” where he then elevated his body into the air to speak with two other spiritual beings in front of the disciples.(Luke 9:28).



Wherever the city was located, Naphtali's border stopped at the Jordan River. The description starts with Heleph, and moves eastward, encountering the cities mentioned along the way, until the border reached the Jordan River. From Heleph, the border extended westward to Anath-tabor, a city just north of

Mt. Tabor. From here, the border incorporated the village of Hukkok.

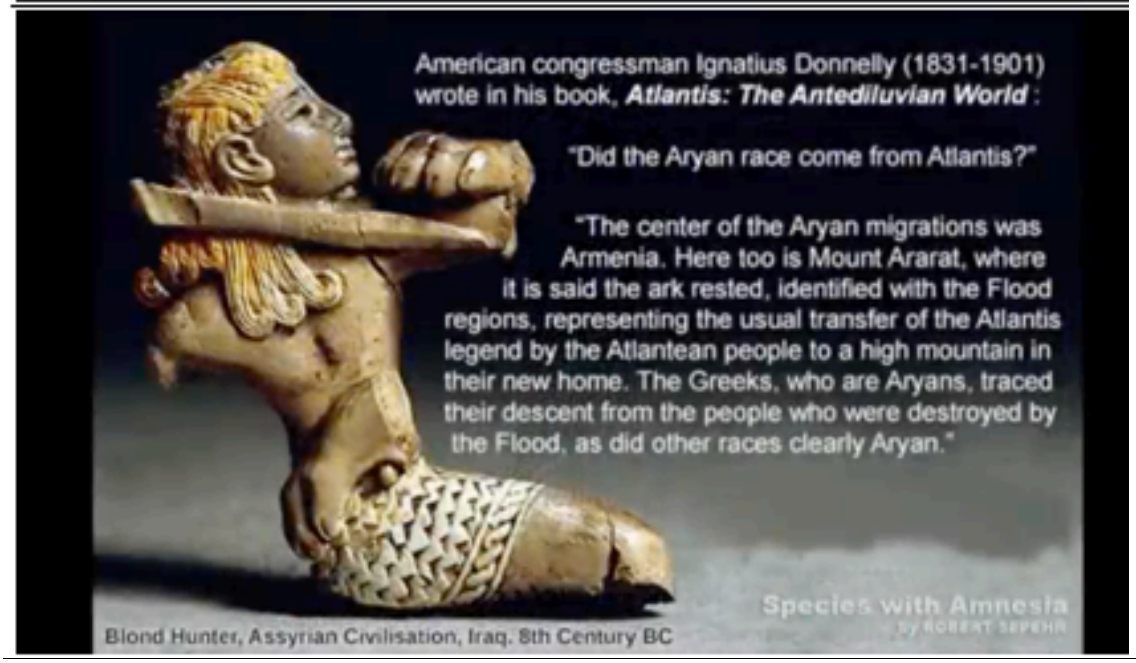
Hukkok's location is uncertain as well. It is usually identified with the village of Yaquq, lying four miles north of the Sea of Galilee, near Gennesarett. Regardless of Hukkok's exact location, Scripture makes it clear in the following verse the tribe of Naphtali bordered Zebulun on the south, and Asher on the west.

The Biblical description of the allotted land can be found in **Joshua 19:32-39**.

THE SCANDINAVIAN ARYAN WHITE RACE ONCE LIVE IN MANY LOCATIONS IN THE MIDDLE AND FAR EAST AS WELL AS GREECE. THE BIBLE HAS BEEN MISLEADING US ABOUT WHO THEY WERE AND WHAT THEY LOOKED LIKE. THEIR ANCESTERS DID NOT CARRY JEWISH BLOOD ORIGINALLY OR WHAT THE JEWS REFER TO AS THE "GOD GENE."

That gene appears to have been installed by aliens aka the Elohim, Anunnaki, Fallen Watchers. It appears that Eve was raped by an alien which is how she conceived Cain according

to the Old Testament lore. Cain carried the Serpent Blood DNA of the god or gods that artificially inseminated Eve.



American congressman Ignatius Donnelly (1831-1901) wrote in his book, *Atlantis: The Antediluvian World* :
"Did the Aryan race come from Atlantis?"
"The center of the Aryan migrations was Armenia. Here too is Mount Ararat, where it is said the ark rested, identified with the Flood regions, representing the usual transfer of the Atlantis legend by the Atlantean people to a high mountain in their new home. The Greeks, who are Aryans, traced their descent from the people who were destroyed by the Flood, as did other races clearly Aryan."

CAIN'S BLOODLINE CARRIED THE RED HAIR GREEN EYED GOD GENE.

BILHAH IS DESCRIBED AS A SCANDINAVIAN HAND MADEN WHO GAVE BIRTH TO JACOBS BLOODLINE

ACCORDING TO BIBLE LORE JACOB AND BILHAH WERE THE PARENTS OF THE TRIBES OF DAN AND NAPHTALI

YET DAN WAS ALSO KNOWN AS THE "SERPENT BLOODLINE" OF CAIN AND AS PART OF THE CANAANITE TRIBES

MOSES IF HE EXISTED AT ALL, WAS SUPPOSEDLY RELATED TO ABRAHAM. HIS FATHER MAY HAVE BEEN A LEVI PRIEST

MOSES PROMOTED THE SERPENT IDEOLOGIES AND WORSHIPPED YAHWEH ILDABAOTH THE DEMIURGE KNOWN AS A LION-FACED REPTILIAN GOD WHICH YOU WILL DISCOVER ONCE YOU DO YOUR HOMEWORK ABOUT WHO HE WAS

Moses was a descendant of Abraham. Specifically, Moses was a great-great-grandson of Levi, who was a son of Jacob, who was

the grandson of Abraham, according to Quora. Therefore, Moses was part of the lineage that descended from Abraham that came down the pike to Levi and his alien priesthood worship. Yet most scholars etc., do not believe Moses actually existed after they DID THEIR HOMEWORK.

IS RACHAEL AND BELHAH A SYMBOLIC STORY OF WHEN THE RED HAIR GREEN EYED BLOODLINE OF CAIN BRED WITH THE SCANDINAVIAN APIRU AKA NAPHTALI TRIBE

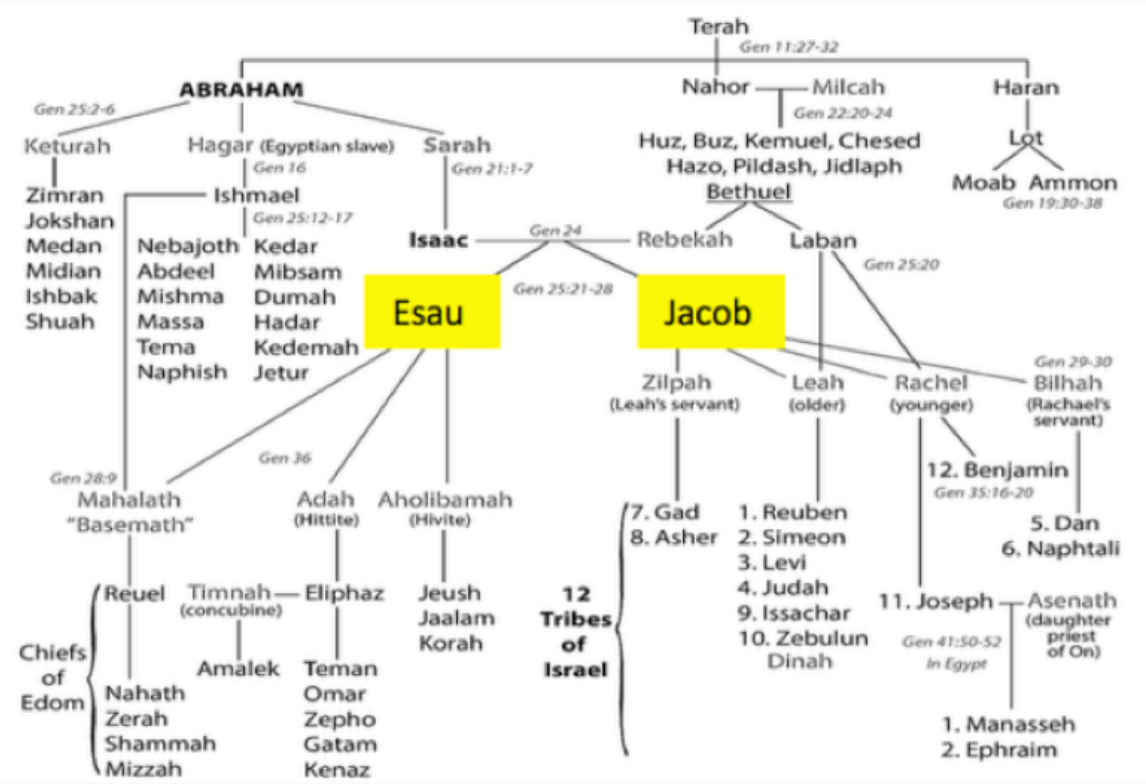
Pay attention here because the Tribe of Dan has red hair and green eyes. They were considered to be the "SERPENT SEED" aka the "SONS OF CAIN'S" evil bloodline. Bilhah was a SCANDINAVIAN handmaid given by Laban to his daughter Rachel upon Rachel's marriage to Jacob, and she later served as a surrogate mother for Rachel's children because Rachael was barren. When Rachel was unable to have children, she gave Bilhah to Jacob to have children on her behalf, a practice where the children born. of the surrogate would be considered Rachel's children instead by proxy. Synonyms for "by proxy" include by deputy, through an agent, indirectly, vicariously, in place of, and on behalf of. These terms emphasize acting for another person, experiencing something secondhand or carrying out a task indirectly.

DIGGING DEEPER INTO THE SYMBOLISM OF WHAT MAY HAVE BEEN GOING ON

Hummm! Bilhah subsequently gave birth to two sons, Dan and Naphtali, for Jacob, who were then to be recognized as Rachel's children by proxy. The Tribe of Naphtali may not necessarily carried the Serpentine God Gene. The Bible does not tell us anything else about Bilhah. The SERPENT BLOODLINE has a habit

of marrying Pure RH Negative Scandinavians because of the POWER IN THEIR BLOOD. If you do a deep dive into this subject they did this to try to purify their bloodline and at the same time to contaminate the bloodlines of these Scandinavian people who at one time had the right to RULE THE WORLD.

Whoever Abraham really was if he existed at all, his family bred with nasty bloodline members along the way such as the bloodline of Dan aka Cain the serpent seed or serpent bloodline.



However notice also that Rebekah's mother were also related to Tarah who was an idol worshipper. They worshipped what we call Nordic Aliens today aka the Fallen Watchers, the Elohim gods and the Anunnaki who were all the same groups of aliens with different names that were given them by different tribes who spoke different languages. Rebekah w as the wife of Isaac whose mother Sarah was artificially inseminated by an alien so she could get pregnant with Isaac before that she was ALSO BARREN.

Being barren seems to be associated with alien hybrids who carry the gOD GENE the Jews refer to. The entire bloodline group are associated with alien worship and artifical insemination by the gods. We are not supposed to CONNECT THESE DOTS. However as Jesus and Reveltions state all that was hidden will be r revealed today as the church is being destroyed for her debachery.

It does not look like their is a "keeper in the bunch" except for the Scandinavian Apiru Naphtali Nazarenes groups who lived in Nazareth and Galilee where Jesus conducted his ministries and most of his miracles from. This is why I am concentrating on them so hard. The Old Testament seems to be a hand book of

stories that are about people groups who worshipped aliens and who were the descendents of alien interventions.

NAPHTALI

The Naphtali tribe of Jacob was supposedly the family tribe of the sixth son of Jacob that was born to him by Rachel's handmaiden Bilhah. He was the biological younger brother of Dan who was also the descendent of Cain (serpent bloodline lineage). Jacobs

OTHER first four sons came from Leah his wife who he was secretly forced to marry using trickery while thinking he was marrying Rachael. **Genesis 30:7-8**, and seems to hint at an intense rivalry that existed between Rachel and Leah

"And Rachel's maid Bilhah conceived again and bore Jacob a second son. So Rachel said, 'With mighty wrestlings I have wrestled with my sister, and I have indeed prevailed. And she named him Naphtali."

The name, thus, means, *"to obtain by wrestling"*. The Hebrew word is derived from a root, *pathal*, which means *to twist, cunning, crooked, show yourself astute, wrestled*. The Naphtali tribal name was associated with the struggle Rachael and Belhah were having regarding the by proxy agreement over the babies name.

It is important to remember Jacob loved Rachel first, as she was the one he originally intended to marry. However, Laban, (the father) deceived Jacob, and gave him Leah instead. As women wore veils over their face during the wedding ceremony, and into the night, Jacob was unaware of Leah's identity until the next morning.

Scripture is silent as to the whereabouts of Rachel, but it would seem natural she was not in favor of the plot. However, it is important to keep in mind Scripture makes no such reference to Rachel's feelings throughout this episode.

In any respect, the situation had the makings of a potential disaster. Keep in mind that Scripture does not divulge any details concerning Rachel and Leah's relationship outside of this verse.

However, this verse makes it clear things were not good between the two sisters.

LETS ADD ALIENS TO THIS SUBJECT MATTER

"LOOK UP IN THE SKY. IT'S A BIRD IT'S A PLANE"
NO IT'S THE ALIEN GODS OF OLD COMING BACK TO REEK HAVOC ON THE WORLD AGAIN."

Anyone reading the Bible accounts of the Judah Jews and Hebrew Israelites and their many gods (and yes they worshipped many gods), has to notice how pathologically sadistic and evil their gods were. You can't read the Old Testament stories with out realizing this. I read the entire Bible when I was a student at a Christian Bible College. Up until then I believed the Bible was the "Inspired word of God." During my studies I realized that the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) has been lying to all of us. I was shocked at my discovery. I kept saying to myself that no one representing God would lie to us WOULD THEY? Yet that is exactly what has been going on for 2000 years and the public bought into this conspiracy of misinformation, disinformation and lies

Not only were the gods of the Judah Jews and the gods of the Hebrew Israelites dark entities, surprising as it is they were also what we wrongly refer to as aliens today. This is also true about the gods being worshipped among the different tribes all over the world. It appears that the only religious figure that seems to have come into our 3-dimensional world to promote the real Creator

and Father of Mankind was Jesus (Yashua). The deception and cover up surrounding these demonic entities is mindboggling.

Unfortunately it gets worse, the bloodline known as the Judah Jews is a copper based aquatic bloodline. They are essentially human alien hybrids that came to Israel from Babylon Iraq. This same bloodline also migrated in two different directions with two separate goals in mind to control the world. The Sephardic line migrated around northern Africa and southern Europe and eventually started the JROCCC. Their brothers the AshkeNAZIM migrated north into southwestern Russia and bred with the Scandinavians. They formed the Khazar Empire and adopted Jewish Mystical traditions until they were finally kicked out of Russia. They then migrated into Europe to create havoc and eventually formed the NAZI Party. Today they control the world. They are BIG BROTHER. They are the Big Bankers, Federal Reserve, which is really an illegal cartel. It gets worse, they own everything and everyone including the Media, Hollywood, Politicians, and Wall Street and among other things they organized and RUN the Shadow Government and Military. They control what we eat, learn, and make money every time we spend money.

This alien human hybrid bloodline was once considered the lowest cast of human beings alive yet today they CONTROL THE WORLD WHILE THE GENERAL PUBLIC SLEPT. Please keep in mind that all Jews by blood or religion are not bad, many are against what is going on. We are talking about their Global Elite Leaders. All is not equal learn the difference.

The Hebrew word translated as ***"mighty" is*** actually the word referring to the Anunnaki, Fallen Watcher *Elohim gods*. This is a collective name of for the gods being worshipped in the Old

Testament, and translates as *"God", "god", "divine", "mighty"* and the list goes on. With this in mind, the implication seems to be of a godly struggle going on with these patriots who were not Worshipping OUR HEAVENLY FATHER but were worshipping the Elohim gods who appear to be the FALLEN WATCHERS.

THESE ALIEN GODS NEPTHILIM OR FALLEN WATCHERS WERE AT WAR WITH EACH OTHER AND PRODUCED THEIR OWN HYBRID BLOODLINES AT THE TIME

The NASB Bible lists this phrase the ***"wrestlings of God (or the gods)***. The struggle between Rachel and Leah is never fully revealed in Scripture however it looks like a bloodline struggle. One naturally assumes Rachel was not happy with the actions taken by her father and older sister, though this is an assumption not backed by the Biblical evidence. Why would Laban want to secretly marry Jacob off to Leah? Was Rachael a bloodline descendent of Cain instead? She was identified with red hair, which is telling us symbolically that she was likely a descendent from the bloodline of Cain not Abraham.

Genesis 30:7-8, and seems to hint at an intense rivalry which existed between Rachel and Leah

Jacob's lineage traces back through his father, Isaac, and paternal grandfather, Abraham, who was a key patriarch for the Hebrew people but possibly NOT THE JEWS originally. Jacob later named the land Israel, after his Israelite or Hebrew familes not after the Jews. Jacob fathered twelve sons with his wives Leah and Bilhah and Zilph. Bilhah was Rachaels Scandinavian hand maddens. These sons became the patriarchs of the Twelve Tribes of Israel (Reuben, Simeon, Levi, Judah, Dan, Naphtali, Gad, Asher, Issachar, Zebulun, Joseph, and Benjamin).

King David's city discovered? Ancient site linked to biblical kingdom, archaeologists say

When King David captured Jerusalem from the Canaanites in approximately 1000 BCE, it was a small city situated on a ridge, known today as Mount Zion.

THE JEWS APPARENTLY RECREATED HISTORY TO SUIT THEIR EVIL FALSE AGENDA'S

The lineage from Judah is especially significant because Judah later after the Northern Tribes were taken into captivity by the Assyrians, became associated with the Jews who were Semites that came from Jeddah Saudi Arabia originally. The Jews promote King Solomon today who we NOW KNOW DID NOT EXIST. The Jews also associated their line to a minor King named David who was likely of Hebrew lineage. His Kingdome was also just found by archeologists and it was a small settlement not a mighty city as shown on inside the blue dots in the picture above.

It is also noteworthy that Leah was the most fertile and productive of the sisters. Often times hybrid woman were not able to give birth. This, too, would have naturally lead to a feeling

of resentment and jealousy on Rachel's part towards her sister. Verse one in chapter 30 of **Genesis** hints at Rachel's anger and jealousy towards her sister. In this verse her anger manifests itself at Jacob, who responded in like fashion back at Rachel.

Thus, Rachel is depicted as undergoing an intense struggle with jealousy, anger, resentment; a product of her lack of children and Leah's fertility, and perhaps a lingering feeling of injustice over Leah marrying Jacob. Rachel, it would seem, took her pain and feelings of frustration to her God. Perhaps she pleaded for a child, and pleaded to her god for justice.

Whatever her ***"mighty wrestlings"*** were, the birth of Naphtali was the answer to her prayers. Perhaps, Rachel had blamed her god, initially, and struggled to come to grips with the reality of the situation. It would seem at some point, she overcame these feelings, and rather than struggle against her god, perhaps she struggled with her god, leaning on Him for strength. **NAPHTALI WAS NOT HER CHILD, BLOODLINE OR TRIBE.**

Rachel's grandmother was Rebekah . Rachel's father was Laban, and the Bible mentions he had two wives, but only names the mother of Leah and Rachel as Adinah in the traditions of the Mi Yodeya community.

Location of Haran

Leah and Rachel's family came from the ancient region of Aram-Naharaim, also known as Paddan Aram or Upper Mesopotamia. This area corresponds to parts of modern-day Harran, Turkey.

- **Family Origin:** Leah and Rachel were the daughters of Laban, who resided in Paddan Aram.
- **Historical Context:** Jacob, their future husband, traveled to this region to find a wife from among his relatives.
- **Modern Equivalent:** While the ancient city of Haran was located in Paddan Aram, this area is largely identified with modern-day Iraq and Turkey.

Mesopotamia was known as the land of the "(alien) gods."

Naphtali is absent throughout the Biblical narrative. No events involving them are given because it seems that we are not supposed to know about their existance. However, there are clues to Naphtali's character, and the type of person he was.

Perhaps the biggest clue into the nature of Naphtali can be found in Jacob's Blessing.

Scripture gives evidence that he was a good and righteous man. Jacob states that he ***"gives beautiful words"*** in the blessings of his sons. The Hebrew word translated as ***"words"*** is *"Emer"*.

This Hebrew word translates as *"speech", "arguments", "sayings", "utterances"*. Emer occurs fifty times in the Old Testament, mainly in the books of **Psalms**, **Proverbs**, and **Job**. These books are full of sayings, quotes, and anecdotes to live by. The book of **Job** is littered with speeches by various individuals.

Emer is derived from the Hebrew word *Amar*. This word translates as *"to tell", "to speak", "to utter"*. It is used over 5,000 times in the Old Testament. The general idea, according to Spiros Zodhiates, "is the uttering of some type of spoken word".

Amar occurs eight times in **Genesis 1**, and is used specifically by God to speak the world into existence. Based on these two Hebrew words, and the context "emer" is used in relation to Naphtali, Jacob seemed to be saying that his son gave good, sound, godly advice. He possessed eloquent speech, a sign of high intelligence.

This son of Jacob, it would appear, became known for his eloquent speech and sage advice. He must have been a well respected man by his peers, as he certainly was by his father. Whatever his misdoings were in his youth, by the time Jacob was ready to die, he had become a godly man, a man of righteousness and ***"beautiful words"***.

Thus, it is quite evident there was something special about this tribe. This trait was a product of the heart, character, and nature of the son Naphtali.

The last mention of Jacob's son takes place in **Genesis 46:24**. This chapter lists the names of Jacob's family, which accompanied him into Egypt. The sons of Naphtali are given in this verse. They are; Jahzeel, Guni, Jezer, and Shillem. **I Chronicles 7:13** lists Jahzeel as Jahziel. Shillem is known in some Hebrew and Septuagint manuscripts as Shallum.

Thus, in 732 B.C., the Northern Kingdom of Israel fell to the Assyrians. The people were deported to Halah, Habor, Hara, the river of Gozan **(I Chr. 5:26)**, and the cities of the Medes **(II Kgs. 18:11)**. Consequently, the Northern Tribes of Israel are today known as the **Lost Tribes of Israel.**

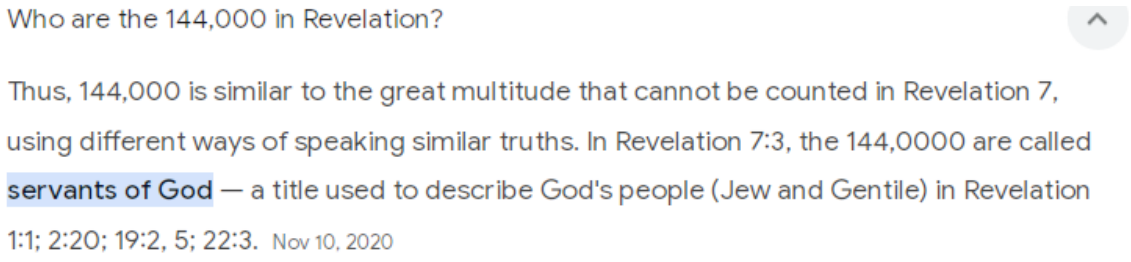
CONCLUSION

The tribe of Naphtali figures in prominently to the history of Israel. This tribe followed in the footsteps of its founder, the sixth son of Jacob, known as Naphtali. As he was a godly man, so was his tribe. However, they eventually fell into apostasy, as did the other tribes of the Northern Kingdom.

Naphtali left an imprint on the Old Testament through their exploits on the battle field. They were praised by Deborah in the Song of Deborah.. Despite their later falling away from their god the tribe of Naphtali was blessed by this Elohim god.

They are one of nine tribes of Israel , which appear in all lists of the 12 tribes of Israel. They are mentioned in the only New Testament list of the tribes, found in **Revelation 7**. In the final

days of God's judgment, the tribe of Naphtali will produce 12,000 people sealed on the forehead as servants of God.



Who are the 144,000 in Revelation?
Thus, 144,000 is similar to the great multitude that cannot be counted in Revelation 7, using different ways of speaking similar truths. In Revelation 7:3, the 144,0000 are called servants of God — a title used to describe God's people (Jew and Gentile) in Revelation 1:1; 2:20; 19:2, 5; 22:3. Nov 10, 2020

In the Book of Revelation, the 144,000 are people who are primarily sealed by Jesus and our Heavenly Father for protection during the Tribulation period, who serve as evangelists for Jesus. These people are described as virgins, representing spiritual purity, and are seen as the "first fruits" that are (not part of the church). They are redeemed people. To me they are NOT WHAT WE CALL CHRISTIANS TODAY who have been mislead by the JROCCC. The unredeemed seem to be those who teach Jewish and Roman Orthodox Catholic Christian Church (JROCCC) misinformation, disinformation and lies. The Redeemed seem to be people who try to teach the "New Wine" that Jesus came to teach which has been lost to us today.

What this seems to be telling us is that the Scandinavian tribe of Naphtali and the other tribes who became part of the Anglo Saxon migration into Europe and America appears to have a special place in the world today. A small group of them will part of the group who Jesus will protect today because of what they do and who they are.

Jesus warned us ahead of time that he would turn his back on Christians. This seems to be the case because they are teaching the debauchery of the JROCCOC movement and NOT WHAT JESUS ACTUALLY TAUGHT.

We are referred to as "first fruits" because we are the first to be protected and as Jesus said they are not many people. The first fruits also appear to be those who are TRANSFIGURED into spiritual uncorrupt able bodies who will help the Meek who will inherit the earth when the time comes. They will be the first ruptured group it would seem that will be followed by the DEAD IN CHRIST which to me seems to me Christians who have been teaching apostasy. The first fruits will be placed in the upper echelons of power essentially. Now again I am speculating but in a way that makes sense knowing what I know after 25 years of research into these subjects.
